Figure 1: A sample black and white graphic (.eps format).

## Acknowledgments

Acknowledgement goes here.

## APPENDIX

Appendix goes here.

## ABSTRACT

This sample.tex file is modified from the sigproc-sp.tex file supported by ACM, serving as a simple example of the tex file used for IPSN'13 submissions.

## 1. INTRODUCTION

Sections go here. An example of figures is shown in Figure 1.

## 2. CONCLUSIONS

Conclusion goes here.
